THANK YOU!

The numbers for summer are still coming in and being counted. We won't have that final count just yet but what we do have is a lot of thanks to give. Summer reading is a huge event and we couldn't do it without so much help from the community. We would like to take this moment to give a shout out to all the amazing helpers from the community and our performers for the work they have done.

Special thanks to: Kirksville Community Horse Center, Kirksville Circus, Kirksville Sonic, McDonalds, Pizza Hut, Home Depot, Anesi Towing, Red Beard & Sons Tree Service, Brian Noe, Truman State University, Kirksville Sheriff's Department, Kirksville Police Department, Kirksville Animal Control, Ecco Ride of Kirksville, Kirksville Aquatic Center and Mike Reeder with Adair County Public Library for Paint a Truck.

We also would like to thank our interns and volunteers: Emma Bushnell, Sophia Zarillo, Eliana Nolker, Esther Nolker, Ameer Rahman, Levi Martin, Linda Lehmann, Sheri Turner, Reghan Pickett, and Lee Comacho.

We would like to give an incredibly special thank you to the Adair County Public Library staff who helps us help you! Speaking of you...thank you! Yes, thank you, to the community. We couldn't do these programs if you didn't show up and support us. Thank you to everyone for another successful reading program.

Thank
YOU

UPCOMING PROGRAMS

GARDEN TO TABLE

Don't forget: Garden to Table is a bimonthly program! If you have only gone to one each month you're missing half the fun. August 12th at 5:30PM, Amanda Montgomery will be teaching about local perennial pollinator plants.

August 27th at 5:30PM Tiffany will be teaching a salsa class. Not the dance! The delicious dip. This class is wonderful for garden growers who have too many veggies to speak of right now and need a yummy and simple recipe idea.

Keep a look out for our Garden to Table events and remember: there are two of them every month.

BIOMETRIC HEALTH TEST

The Adair County Health Department will be hosting a free Biometric Health Screening at the Adair County Public Library. This will include testing for height, weight, blood pressure, pulse rate, respiration rate, and body mass index (BMI).

This special event will be taking place on August 14th 10AM-12PM. The Adair County Health Department encourages routine health screens and would like to remind the public that they can be helpful in monitoring various aspects of your health.

If you have any questions contact the Adair County Health Department.

MONTHLY MOVIE NIGHT

Monthly movie night will be continuing August 22nd at 6:15PM with: The Super Mario Bros. This movie is rated PG and features the popular brothers Mario and Luigi from the classic games.

While Working underground to fix a water main, Brooklyn plumbers and brothers Mario and Luigi are transported through a mysterious pipe to a magical new world. When the siblings are separated, an epic adventure begins.

If this sounds like a good movie, bring the family out! However, don't forget, there are rules and this is a special after hours program which means no checking out books and if you don't listen to the librarians you will be asked to leave.

A LOOK BACK AT OUR MONTH

The Library participated in our first parade in years!

The Aquatic Center was so much fun for everyone!

Mad Science brought in the crowd!

Celia's singalong turned into a dance-a-thon!

Check out our new patron computers!
