TRUMAN REPTILES

Truman Herpetarium students will be joining Adair County Public Library to put on Truman Reptiles. This yearly fall program will likely have turtles, snakes, a blue tongued skink and other cool reptiles. Though the reptiles may change, one thing that remains the same is that this is a great opportunity.

This fun, free, family event is open for all ages and we encourage everyone to give it a try. This program is a great way to face your fears, learn about animals, find a new love for reptiles, or even open up the conversation about career paths. So make sure your teens come too.

Truman students are a wonderful resource for showing you the path you need to take if reptiles are your passion. Take this opportunity to bring questions.

Truman Reptiles will be taking place Saturday, October 8th, at 10:30am. The reptiles will only be here for an hour so make sure you don't forget. We look forward to seeing you!

UPCOMING PROGRAMS

SATURDAY STORYTIME

Join us for a special Saturday Storytime. In this program we will be reading books that match a fun theme. We will also have a fun craft provided by our special guest, Katie, from Blooming Speech Therapy.

Storytimes are perfect for the whole family and are a great resource for developing early literacy skills. Your toddlers will learn so much, your older kids will love the silly stories, and you'll have great opportunities to mingle with other parents! Join us, Saturday, November 22nd at 10AM for this special storytime.

FREE BIOMETRIC HEALTH

Back by popular demand, we have partnered with the Adair County Health Department to do Free Biometric health screening. These tests will consist of height, weight, blood pressure, pulse rate, respiration rate, and body mass index. Routine health screens are helpful in monitoring various aspects of your health. If you have any questions please contact the Adair County Health Department at 660-665-8491. Reminder that this is a free event that will be taking place November 13th at 9:30-11:30am.

MONTHLY MOVIE NIGHT

Monthly movie night will be continuing November 14th at 6PM. We are featuring the newly released Disney movie Elio which is rated PG. Come see this charming movie.

"For centuries, people have called out to the universe looking for answers...in Disney and Pixar's original, all-new feature film "Elio," the universe calls back! The cosmic misadventure introduces Elio, a space fanatic with an active imagination and a huge alien obsession. "He's an unusual kid who's obsessed with getting abducted by aliens," says director Domee Shi. Elio feels like there's nothing for him on Earth—he dreams of going to another world where he's accepted for who he is." -Pixar

A LOOK BACK AT OUR MONTH

Our friends at BINGO always have a blast!

This young patron did a great job making a collar for her new stuffie!

The Tea PAW-ty for our stuffed animal friends was a hit!

Check out our youth display on hard topics. You are not alone.

Come play with our American Girl dolls! Check out one of their books too!
