A Look Back at Our Month

Build-a-Bunny was a huge success!

Earth Day with Fun
Wooden Crafts!

A Special Reminder

Some big changes are coming to your library! Don't forget, to better serve our patrons, we are doing a mini-remodel. As such the library will be closed beginning May 2. We will reopen on Monday, May 18.

With that in mind, your time to get books before our closure is quickly approaching. Our last open day will be May 1. We also have paused Interlibrary Loans until we reopen. However, we still have our online resources available like: CloudLibrary, Hoopla, Lightbox, and Libby.

Don't worry about book return dates if yours falls during our closure. Our library drop off bins will still be accessible but like always, we never charge late fees so feel free to hold onto your book until we reopen.

We look forward to seeing you at your new library!

Make-a-Stuffie was so Fun!
